## "The Presidents Notes"

Rachel Nicholas

Hi everyone,

**The Babinda News Newsletter:** I was recently asked to run a personal half page advertisement in the Newsletter for free. Our position remains firm on this issue and I must reinforce that contrary to popular belief, we are not a benevolent society. We are a self funded organization managed by a Committee of volunteers/members responsible for meeting all costs that running a business dictate. We would love to offer our services for free especially to those that have served our Community on a volunteer basis, however, the majority of volunteers serve with no expectation of any kind of remuneration. Our trade off of this is to offer members discount rates where the Committee deem we can afford. All inclusions within the Newsletter remain at the discretion of the Editor and/or Committee Executive. If you have any queries please join us at one of our monthly meetings.

**2012 Babinda phone books** available from the Taskforce. \$2 per copy. We will not be publishing in 2013

**Taskforce hours of Business:** Monday - Friday 9am - 4pm. On occasion and without warning we will close at 3pm.

**Centrelink hours of Business:** Monday - Friday 9am - 3pm. We are Centrelink Agents. We offer access to the phone, computer and fax machine.

**Next meeting** Thursday, 18 April 9:30am, Babinda Taskforce Office.  
We currently have 129 members.

Cheers,  
Rachel

## ***Babinda Police News***

We unfortunately saw the results of speeding during this month, where a young Innisfail man lost his life, due to crashing at speed. This crash, and the resultant trauma to those involved and their families could have been avoided by simply obeying the speed limits.

We also responded to a number of minor crashes this month, which were as a direct result of driver error. If we pay attention to what is around us, such as speed signs and road conditions, most crashes can be avoided.

Babinda police coordinated another rescue at the Josephine Falls. A young person became trapped on the far side of the creek as a result of fast rising water. With the help of the Babinda Fire Service and the swift water team, and supported by QAS Babinda, the person was rescued using an inflatable boat and ropes. This is the second such rescue in two months. Please urge to caution to those who you know use the falls, as they are unpredictable and dangerous.

I would like to thank the community for their support in assisting us solve the majority of offences reported in the Babinda area. Without your support, we cannot do our job. This was very evident when Munchies was broken into and ice creams stolen. Community assistance enabled us to identify those involved. This has resulted in four young people being dealt with in terms of the Youth Justice Act. Hopefully they will learn from this and it will serve as a caution to those intent on causing trouble in the town.

## **AMBULANCE NEWS**

There have been some major accidents in the past month on our local roads. It seems lately we are going back to the bad old days of Babinda when we were notorious for being an area where we had many accidents. The highway particularly between here and Innisfail is a lot safer to drive on than 5 years ago as it is wider and in much better condition. Sadly the condition of the roads is only one factor that will help prevent accidents.

You would have seen our new 4WD ambulance driving around town. It is an essential piece of equipment with our local topography. Fortunately it has the large modular on the back which gives us plenty of room to work out of. The smaller 4WD ambulances are very poky once you are in the back.

Finally Amy Craike has finished her relief stint in Babinda. Peter and I would like to thank her for her efforts over her time in the Umbrella town. After we told her how wet it would be in February/March it was the driest summer

I can remember in a long time.

Until next time,

Keep safe

The fine Easter weather saw many families and international visitors on the move. More visitors are camping at Rotary Park, and enjoying the walk into the town centre to explore our local shops. During the Chinese New Year celebrations, we noticed more self driving Chinese visitors taking the time to visit the Tablelands and surrounding areas. They are particularly impressed by our Boulders.

Because we are having more visits and enquiries from Cairns locals about our attractions, we are currently developing a "Weekend in Babinda" brochure, listing all places of interest in our area. If you think your business should be included, please contact us.

Remember the Harvest Fest is fast approaching, and as usual, we are organising the Sugar Bowl competition. Flyers with necessary details will be distributed to the schools after the holidays, and will also be displayed in the town. Start thinking outside the square and let's make this the best collection of sugar bowls ever. You are never too old or too young to enter.

*Happy Trails*

## Our Woman of Babinda

This month we feature CHRISTINE NORMAN born and lived in Babinda, Christine answers to the affectionate name of “Chrissie”. Chrissie went to school here at St Rita’s Babinda and Babinda State High. She enjoyed working locally at our Babinda Hospital and also worked at the Pacific International Hotel in Cairns. Her reputation and work ethic at all these places was excellent. Chrissie currently is employed at Abbeyfield as chief cook. Married to Eric Norman, the pair have a son Bradley and daughter Antoinette. Both kids have had a good education and hold down responsible jobs: On Groote Island. And in the Catholic education system. Chrissie Norman is very involved in Babinda life and is captain of the Babinda Team for Relay for life functions. Her role in Babinda, can only be described as one to be proud of. May it always be so!

Thank you Chrissie Norman.

The Abbeyfield Committee wish to thank the outgoing Executives, Wanda Edmonds and Caitlin Stager for their invaluable work to our community.

We welcome the 2013/2014 Executives:

Tony Densmore— President

Fred Lizzio—Vice President

Deborah Tuttle—Secretary

Janis Lauridsen—Treasurer

## FAREWELL FROM MUNCHIES

Munchies closed its doors on March 24. Sadly our lease expired and we were unable to accept the changes in rent and conditions proposed in the new lease. **We would like to thank all our customers for their support over the past year who made it a successful business.** It is amazing how many people in the short time we have closed have told how they miss our food and reminisce over the times they spent in Munchies over the past 25 years.

A big thanks also has to go to Jessica Chandler who worked in the shop and Jodie Nielsen who helped out.

We also have available for hire: **Slush Machine, Hot & Cold Bain Maree, Pizza Oven.**

The vision for the Mens Shed is to:

Provide support to men in need of help from mental illness or any other debilitating illness. Ease of transition from full-time employment to other activities in retirement. Provide an additional link between the primary health network and the many men who have no regular contact with that network. Establish a place for men that enable social interaction and activities to maintain the health and well being Build a culture in the shed where all men are welcome and where mutual respect and trust are paramount.

The Babinda Mens Shed to become a focal point in the community for the identification of men's health issues and actions to resolve these issues.

Cheers for now. Merv Thompson (President)

### JCU Dental Clinic worth the trip

Recently I had the opportunity to visit the James Cook University (JCU) Dental Clinic and speak to students and teachers alike.

Since it opened in February 2012, the feedback from clients visiting the Clinic has been overwhelmingly positive, with staff regularly being told by clients how impressed they are with the modern and spacious premises.

But more importantly locals are impressed by the ability to get an appointment (and quickly), many of whom had been on a waiting list for some time. The 99 chair dental clinic also provides low-cost/high-quality care to service the high demand for dental care right across the Far North. In 2012, third, fourth and fifth year JCU dental students provided:

- over 17,742 dental appointments
- over 42,000 treatments
- over 5,000 oral exams and nearly 3,500 removals of calculus
- 1,909 extractions and 173 surgical procedures
- over 500 dentures made (either in the onsite laboratory or at external labs)

The school of dentistry at the Cairns campus of JCU was built with \$49.5 million of federal funding and was of course necessary due to the general shortage of dentists in Australia, particularly in rural and regional areas.

The JCU program is the only dentistry course in northern Australia and aims to provide a dental workforce for tropical Australia and address the serious shortage of dentists in regional Australia.

That's why the former Labor Government committed \$45 million over four years in the 2010-11 State Budget towards training facilities for this JCU program which is going a long way towards assisting in attracting and retaining dental staff in Cairns.

The initiative means hundreds of Far North Queenslanders will also benefit directly from dental services provided through JCU's Clinical Outreach Program, which provides infrastructure and resources for the clinical training of JCU's dentistry students in remote localities.

Eligible patients incur no charge for approved procedures and JCU Dental is open to the public and appointments can be made Monday to Friday by calling 1800 050 763.

**'Putting the Far North First'**

Happy Easter everyone. I hope you all were able to have a few days' peace and spent time with loved ones over the Easter period. There is finally action on the ground at the Mill site. Up until now work has been behind the scenes, but MSF have contracted a demolition company and the slow process of tearing down the iconic buildings has begun. Demolitions are due to finish by the end of the year. Council has been working closely with MSF and Babinda community groups to ensure the rezoning development application is robust and will see positive growth for the town of Babinda into the future. The consultation period is complete and I expect the application to come to Council either this month or at next month's meeting. All objections were minor and able to have worked out a compromise.

The new roof at Bill Wakeham Park is progressing. Council has decided to include underground drainage. This has meant cost and time has blown out a little. Cost will be borne by Council and we anticipate it starting soon and complete by early May – three weeks at least before the Harvest Festival. This year's 50<sup>th</sup> Anniversary looks to be a bumper long weekend full of fun and frivolity. Keep the weekend 7, 8, 9 June free.

I am working with Council and the Babinda Golf Club to get some of the drains formally recognised as easements as they take town water from the showgrounds and such, through the Golf course and out into the creek. This will mean the council has responsibility to maintain the easements free of weeds and silt build up. Keep an eye on this one.

In all, a quiet month but with the cyclone season drawing to a close (touch wood) the quiet weather will continue.

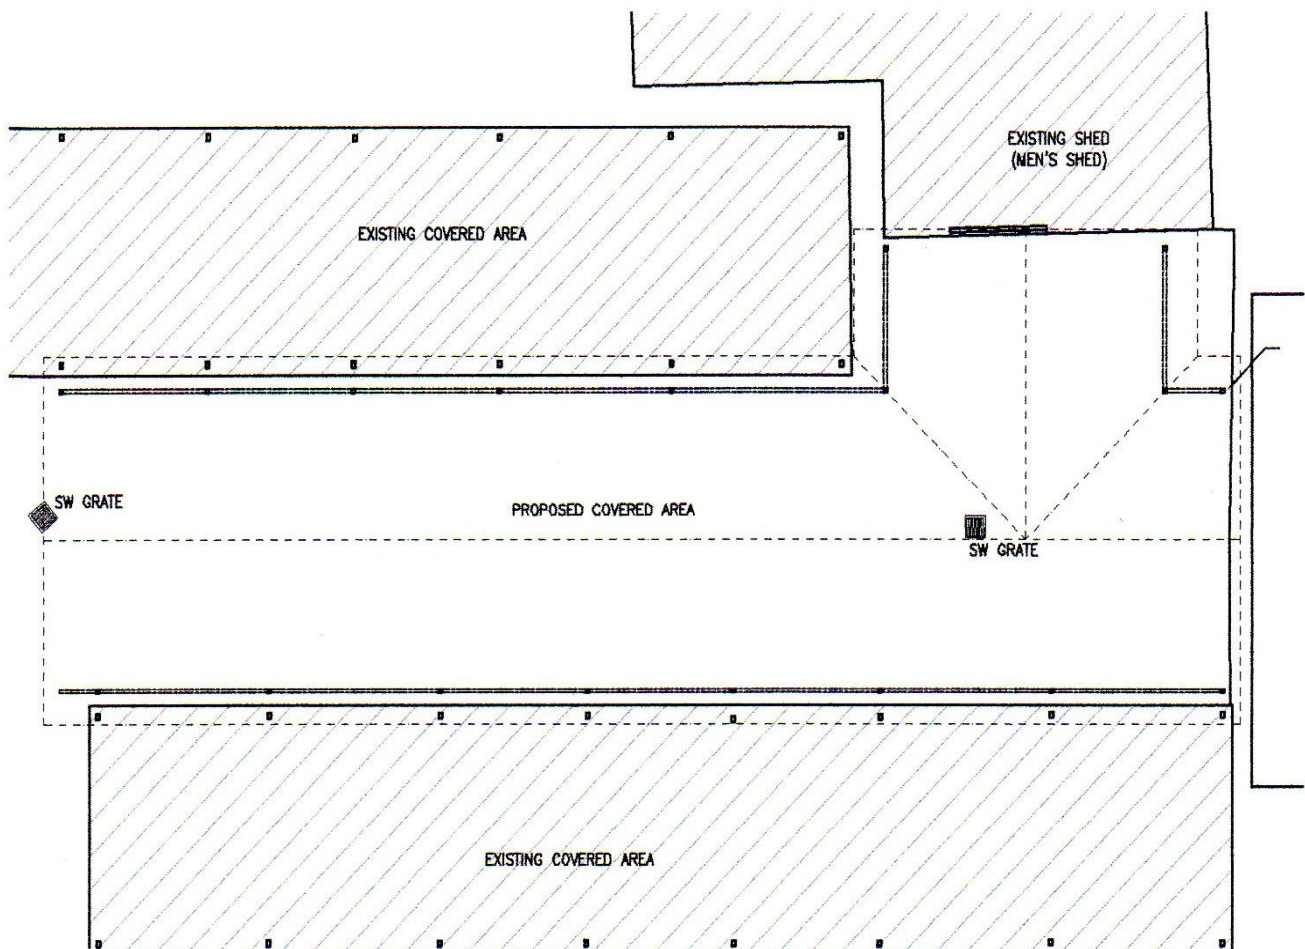

I still come down to Babinda each Friday. Call me or see Rachel at the Task Force for an appointment.

Cheers

Cr Steve

### **LINES FROM THE LIBRARY**

Do you have an interest in history and enjoy a good story? Then you'll love what we have on offer at the Babinda library this month. We are featuring books of historical fiction by such authors as Ken Follett, Jean Auel, Philip McCutchan, Bernard Cornwell and C. S. Forester to name but a few. From stories set in the Stoneage to tales of Ancient Rome, from epics of Elizabethan England to sagas set on the high seas, from the historical accuracy of Jean Plaidy to the alternate histories of Harry Turtledove and Naomi Novik there's adventure, romance, mystery and intrigue to be found in every page. So take a trip back in time and borrow an historical fiction book or three from your library. You are sure to enjoy it.

For the little library users, this month our story time session will be about cats and kittens, so we will see you all at the library at 10.30am on Wednesday the 17<sup>th</sup> of April.

For bookings please phone 40671112.

See you in the library sometime soon.

Cheers, Holly

**The Gordonvale Community Hub will be taking its popular Mural Workshops to Babinda** next term from the 17<sup>th</sup> of April until the 5<sup>th</sup> of June. Nicola Millen will teach young people the finer points of mural design and application. Techniques include stencils, sponging and fine brush work. Workshops are on Wednesday afternoons from 3pm to 5pm behind the Babinda Task Force building and are free of charge. The murals will be painted on to the blue bins that are used in the town centre. The bins will be cleaned and primed ready for painting. The first 2 bins will be a butterfly scene and a cane train scene. Please bring some painting clothes.

Computers will also be available under the supervision of Mark Edwards. Young people without a computer at home will have time to catch up on their homework or just have some fun with the other young people playing network games like Minecraft. Social media will not be permitted during the workshop times.

The workshops are designed for ages 10 and up however if there is a younger sibling aged 8 – 10 then can come along also. Parents are invited to attend and help out.

## Musings from The Arts and Crafters

Have you ever noticed how burning a wonderfully scented candle can bring a whole new dimension to your daily life?

Suddenly your office becomes a place of calm concentration, the kitchen abounds with aromatic scents, the lounge becomes somewhere to luxuriate in, and the daily bath is transformed into a time of relaxation and pampering. Light a candle and "chilling out" becomes a meditative experience and that evening at home with your partner takes on a romantic dimension. Depending on the candle you choose, scented candles can make your whole house a wonderful olfactory experience.

You are probably wondering where all this is leading. Well, we at the Babinda Arts and Crafts Co-Op would like to introduce you to the product of our member Rebecca's talent. She produces unique candles of unusual and exotic scents, artfully packaged in protective glass. Take it from us they smell divine. So next time you are in town, why not give your nose a treat and call in to our shop at 13 Munro Street, Babinda. Take some time to look around and see what all of our members have been making.

## MASSAGE THERAPY AT RELAXABOUT MASSAGE RETREAT, IS ONE AWESOME EXPERIENCE!

There comes a time when you realise that only YOU can heal your life. Start nurturing yourself back to the former, happier you.....MAKE TIME to still your hard working body down, so as to allow it to heal. My very deep soothing 90 minute nurturing massage journey does just that, so that mind and body relax to such a state that healing is activated throughout the entirety of your being. Beautiful music in total privacy and cool comfort, absolutely no disturbance what so ever.... just pure luxuriating with beautiful aromas, warm towels and caring hands, that work your body from scalp to toes; appropriately applying soft towels over the body, for your own personal privacy. It truly is sheer heaven and your body will love you for it and begin to allow, over time, your health and emotions to heal, revitalise and refresh, ease aches and pains and experience relaxation as never before, so as to awaken to a NEW YOU! My treatments vary from 45 minutes, 60m, 75m, 90m, and the ultimate 2 hour indulgence, which is truly one of the most awesome Therapeutic Massage experiences in FNQ. My treatments are not deep painful experiences; instead deeply gentle and therapeutically beneficial, which shifts pain more effectively with this type of massage therapy. Often when one's body has been neglected and is tight and stressed, it is very normal for one to sometimes feel out of sorts or a little sore over the next day or so. These people usually benefit by 2 follow ups over the next 2 weeks, to fully ease the body down. NO PAIN...NO GAIN! is often said by certain clients pleasingly...but its a very gratifying pain and the release feels wonderful. FOR THOSE WHO HAVE NEVER COME TO RELAXABOUT MASSAGE RETREAT, I OFFER YOU THE 60 MINUTE MASSAGE FOR ONLY \$40 for your first massage at the Cottage. Gift Vouchers are available. My appointment days are Wednesday, Thursday, Fridays (from 3pm to 8pm) and most Saturdays.

Happy Birthday to us!

The Babinda District Arts & Craft Co-op turns 14 this year! So we are celebrating by holding a Birthday Weekend on the 20th & 21st of April, and giving our customers the presents. Yes, that's right, anyone who makes a purchase in our store on our birthday weekend will have a chance of a "lucky spot" prize.

This is our way of saying thank you to our supporters and customers for helping us keep the doors open for the past 14 years and therefore keeping alive the tradition of hand crafts in which we immensely enjoy doing.

So we hope to see you in our store to help us celebrate and perhaps leave with a pressie from US!!  
Happy crafting, BDA&C

## **AROMATHERAPY- Which Chamomile is which?**

**German Chamomile**- is used in skin care products for sensitive skins. German Chamomile is similar in appearance to Roman Chamomile; except that German Chamomile grows taller have smaller flowers and fewer petals. Leaves are sharper and the stem is round and hollow. This oil is helpful where there is mental and physical tension, or over stimulation. The essential oil should be blue in Colour if brown in Colour it has been overheated during distillation, diminishing its healing and anti-inflammatory properties.

**Roman chamomile** - Chosen for use with children, especially children with nervous sleep patterns or insomnia. It is soothing and calming emotionally and physically. Roman chamomile is also one of many essential oils used to assist with symptoms of Arthritis, muscular aches, anxious temperaments, stress, and nervous tension. This particular Chamomile is also what tea is made from also used in hair products. It is soothing and calming.

**Moroccan chamomile**- is a member of the Tansy botanical family like German chamomile the essential oil is also a deep, ink-blue colour. Out of the two varieties, Moroccan chamomile has the highest levels of chamazulene; True Moroccan Chamomile is blue in colour.

**Caution-Roman Chamomile** may cause dermatitis in some individuals. Aromatherapy warns against the use of **Blue Tansy, Moroccan Chamomile, or German Chamomile Essential Oil** during pregnancy due to its high azulene. Which can have abortive effects?

## COMBINED SCHOOLS CROSS COUNTRY 2013

Congratulations to all students who represented Saint Rita's at the *Combined Schools Cross Country* competition held on 25<sup>th</sup> March. The effort and commitment our students displayed in training, and on the day, was commendable. The grounds were incredibly soggy from the weekend rain, which made the races more fun for all the competitors. Our students worked hard and persisted throughout their races to achieve their personal bests.

St Rita's had three place getters in the competition: *Darrah Stager* (2000), who ran 3kms, came first in his division; *Clifford Stone* also running 3 kms came fourth in the 2001 year old boys division; and *Molly Stager* (2002) finished third when running with the eleven years girls. These students will now go through to represent the Combined Schools team at the Mulgrave District Cross Country. We wish them all the best! Congratulations also to *Iesha Crane*, *Nicholas Blonner* and *Corwin Hillard* who completed the St Rita's team and who achieved PBs on the day.

Our CS team coaches were Mrs Maryjane Masina and Mrs Debbie Kurucz. Without their training, preparation and organisation, the event would not have been such a success for our students. We also would like to thank St Rita's parents for their support of Cross County training held each morning. The help of those parents who assisted with supervision at the event was much appreciated.

Have a relaxing school holiday! Judy Billiau Principal

## April Ladies

Hello to lovely April ladies,  
There is no ifs or buts or maybes,  
That March 20 to April 20 babies,  
Grow up with an independent nature,  
And as a strong determined creature,  
Each with their own special feature,

There is some lovely local Aries ladies,  
Who this year will turn 50,  
One of them is Debbie Quabba DQ,  
Who was the boss of Taskforce HQ,  
Early in the picture after ' Larry ',  
This caring compassion Arians carry,

Some Aries are from the old school,  
And never anyones fool,  
Like Beryl B born on April 1,  
You're a great old girl, well known,  
All have been known to be tough birds,  
Who like to be heard,

There is in them the quiet lamb,  
But they are always there when you're  
in a jam,  
One of those ,is my friend Rose,  
You know who you are ladies of the  
Ram,  
So energetic and enthusiastic,  
Courageous and dynamic,

Then as Aries ends along comes Taurus  
the Bull,  
Venus's child so free yet so faithful,  
I know one who is also turning 50,  
She is patient and able and thrifty,  
That is Rachel who heads Taskforce  
nowadays ,  
So to Aries and Taurus Happy  
Birthdays,

Wether of the Bull or the Ram,  
You know who I am,  
I am a Leo woman and I respect you,  
So April ladies here's to you,  
To the young or the old,  
You are eternally beautiful and bold.

**From Julie Jones**

### Life Lesson # 17

We could learn a lot from crayons.  
Some are sharp, some are pretty  
and some are dull. Some have weird  
names and all are differ-  
ent colors, but they all have to  
live in the same box.

## Babinda Golf Club

A voluntary Effort

Babinda Golf club is looking forward to another successful year in 2013. The club has managed to survive and indeed prosper in spite of many pressures and setbacks such as low membership numbers and difficult and destructive weather events.

The key to survival and the successful functioning of the club is the fact that the club operates totally on the efforts of volunteers. The entire operation of the club's maintenance to catering and the many other things that need to be done.

The work of these volunteers means that the club is able to offer membership and playing fees which are very reasonable and the golf course itself is always in a playable condition except perhaps immediately after a serious weather event.

During 2012 the greens were given a very successful upgrade and are now in excellent condition. The course generally, is maintained to a high standard with mowing, spraying, whipper-snipping and drain work performed on a weekly basis.

The club members are always on the lookout for new players and would welcome any new or renewing members to join them on the course. Junior coaching is also a feature of the club and sessions for juniors, boys and girls 10 years or older, will begin for 2013 on Monday, March 4<sup>th</sup> and continue every Monday at 3:30pm.

Club competition of 18 holes are held every Saturday with a 1:00pm tee off time social golf of 9 holes is conducted on Wednesday and Fridays from 3:00pm. Visitors are welcome to all these events and are also welcome to all these events and are also welcome to play on the course at anytime.

Babinda Golf Club is very much a community assets and is a popular venue for joggers, walkers and people exercising their dogs. The club encourages such community use of the golf course and welcomes these groups. In order for the club to continue, however, as an asset for the community more playing and paying members are very important.

The management committee and the members of the club would love to have a larger membership group and encourage anyone to come to the course and try the game. The exercises, the friendly competition and the fellowship make it a very worthwhile pursuit.

## Would you support a second trial in Babinda?

April 2013

Thank you very much to the Babinda residents who attended our community meeting on Thursday 21<sup>st</sup> March 2013. It was great to meet members of the Babinda community for a chat about our research and 2012 field trial results.

We were unsuccessful in getting *Wolbachia* (wMelPop) to establish in the wild *Aedes aegypti* mosquito populations in Babinda however we did learn a great deal of information about this *Wolbachia* mosquito strain, which will inform how we do field releases in other countries.

We would like to propose another release in Babinda using a different strain of *Wolbachia*, wMel. This strain was released in Yorkeys Knob and Gordonvale in 2011 and our latest monitoring shows over 95% of *Aedes aegypti* mosquitoes still carry the *Wolbachia*. Further trials will only proceed with community support and government approval.

Please call us on 1800 811 054 or email [cairns@eliminatedengue.com](mailto:cairns@eliminatedengue.com) to let us know if:

YES you would support a second release of *Wolbachia* mosquitoes in Babinda, or

NO you would not support a second release of *Wolbachia* mosquitoes in Babinda.

**Andrew Turley, Field Trial Manager**

For more information about the Eliminate Dengue research program go to [www.eliminatedengue.com](http://www.eliminatedengue.com) or call the Cairns office on 1800 811 054 (free from a landline)

**A BLAST FROM THE PAST**

HISTORY MADE, 59 YEARS AGO—1954

Hereunder are particulars of the Sick and Injured Benefits Scheme to be put in operation from the first pay day in June 1954 in the Babinda Central Mill to assist sick and injured employees of the Company. Anyone wishing to contribute to the Scheme may do so by signing their name below, thus giving your consent to have one shilling per week taken from your pay, which will entitle you to draw 4 pounds per week for 15 weeks if injured or off sick for that long, and on producing a Dr's Certificate. His word to be final. There will also be a Committee of 5 to handle all Finance and Business, which will consist of 3 Employees of the Mill and 2 Mill Officials. All money paid to the Scheme will be collected at the Mill Office. No unfinancial members will be entitled to any Benefits from the Scheme.

Signed by CJA Pattrick AWU Representative, Babinda. (Who was a valuable advocate of the Scheme.)
