MARCH 2015

"The President's Notes"

Rachel Nicholas

"The most common way people give up their power is by thinking they don't have any"

Hi everyone,

The 2015/2016 Babinda District Telephone Book expressions of interest to advertise have been posted to all those who advertised in the 2014 phone book as well as a few others who have asked. If you did not receive one and would like your business in the new phone book please contact the Taskforce office and we will organise to post you a copy in the post or email you one. For those who just want your phone numbers in the A-Z listing or need us to update/delete or change any of your current details, either come into the Taskforce office or give us a call. **Please be aware that the cut-off date for entries for the 2015/2016 Babinda District Telephone Book is 26 March.**

If everything goes according to plan the new phone books will be ready for distribution by June. In keeping with the last few years: all members and/or advertisers will receive their first copy for free. The 2015/2016 phone book will be \$5 each. However, don't throw out your old ones as if you trade in your old one (any year is accepted) we will take \$1 off the latest one.

Babinda's 4th annual 'International Women's Day' luncheon seems to be gaining popularity as the years go by. It will be held at 'Café On Munro' on Saturday 21st March. I look forward to publishing the editorial in April's Newsletter along with photos.

This month at the Taskforce we were kept busy with (but not only): Greyhound Bus & Queensland Rail travel ticketing. We assisted over 100 Centrelink/Medicare customers. We faxed, photocopied, shredded, laminated and printed. We assisted with internet/computer customers here in our internet café. We mowed, repaired and updated. We sold 100 club, raffle tickets and cans of soft drinks all @ \$2 each.

Business Hours: Monday to Thursday 9am - 4pm.

Closed Fridays till further notice.

Please note: Next meeting Thursday 26 March 9.30am at the Taskforce. All members welcome. We currently have 95 members.

Be good,
Rachel

Babinda Police News

I would like to welcome Justin Benvenuti to the Babinda police family. Justin comes to us from Innisfail, and he has expressed a keen interest in small town policing and is keen to get involved in the Babinda community. I am sure you will all make him welcome.

Well the wet has finally arrived, luckily we have not experienced anything near the rain and wind our southern neighbours have. But we should not get complacent and always be prepared, with batteries a radio, food and water to be self-sufficient should the need arise.

Unfortunately our neighbouring divisions have experienced a number of fatal traffic crashes recently. Crashes do not just happen usually there is some causational factor, be it speeding, drink or drug driving, fatigue or driving inattention. We do not want any of you to become the next victim or have to tell your family that you are not coming home. Traffic offences will continue to be our focus, for as I said before I would rather issue an infringement for speeding, or talking on a mobile then attend the crash which would result from such driver behaviour. Please do the right thing and stay safe.

Babinda Footy

As many of you know, Babinda Colts had a fantastic win over Innisfail on the weekend. This was a great family event and it was great to see such a large amount of local support. Unfortunately this event was marred by events later in the night. Two incidents of alcohol fuelled violence spoiled a great night for Babinda. The first was a fight at the hotel which resulted in the arrest of a male patron. I was really impressed by a local member of the Babinda footy community who gave me great assistance during the arrest. To those who chose to help out, you know who you are, I sincerely thank you. This incident also resulted in a liquor banning notice being served, banning this individual for up to three months. Later that night there was another large scale altercation involving a number of people which required additional police resources from Innisfail and resulted in two people being treated in hospital and one arrest. Drink to have a good time, don't drink to excess.

I have been asked to mention the centre parks on Munro Street. We all know that we should not reverse out of these car parks, as simply put it is dangerous. I have not witnessed it myself or the driver would have an infringement notice. It would take an extra minute or two to drive out of the park and find a safe place to turn around rather than reversing out into the flow of traffic. Please take this time, consider other road users including pedestrians.

As ever we look forward to hearing from anyone who has information in relation to crime or offences committed here, particularly drug offences, as put simply drugs destroy lives. Never assume we know, the little bit of information you may have may add to we know, or be the key we need detect drug users and dealers in our community. We all have a role to play in ridding our community of drugs. Give us a ring you can remain anonymous, your identity will be protected.

Hello to the Grey Nomads, Travellers and Tourists in town now - **Welcome to Babinda.** We hope you truly enjoy our facilities and township whilst you are with us.

I write to you from the **BABINDA BARGAIN CENTRE.** We are the local “op shop.” Our store supports the efforts of Cootharinga North Queensland and we proudly raise money for individuals and their families living with disabilities across North Queensland.

Please come in and browse.....we sell almost everything. If you need that ‘thingy’ for the caravan kitchen, chances are we might have it. Other ways you can support our store include-

Come and buy a good book or two. We have an amazing selection of books starting at \$1.

Donate to us any books you have already completed on your journey. We will resell them and send them on their way once again with another traveller.

Come in store and collect a few “Grey Nomad and Travellers Cards”. The idea of this little card is for you to refer us to other travellers you meet along the way. So next time you are enjoying an afternoon chat with your new neighbours at your next camping spot and the topic of OP-SHOPPING comes up, give them a card and send them our way!

Write about us in your blogs and posts. Talk about us within your caravanning community. Like us on FACEBOOK. It all makes a difference.

Leave some feedback in our “feedback book” located in store. We love to know where you are from and what you think of us.

And of course, while you are here – please try and shop locally. The entire township will be appreciative of your custom. To find us, look for the BRIGHT BLUE BUILDING on the corner of Munro and Mill Street. Our overhead awning un-ashamedly proclaims us to be the **“best OPP-SHOP in Far North Queensland.”**

We hope to see you shopping with us soon. Enjoy your stay – Kylie.

Our full sympathy and empathy to all those affected by the recent Cyclone Marcia (I still say it shouldn't be pronounced "Marsha"). Lets hope recovery is relatively quick. Having said that, we have had a report from the Capricorn VIC that most business/tourist facilities in Rockhampton, Gladstone and Bundaberg are again operating. There was also a radio call from Great Keppel Island asking that people/guests please don't cancel bookings, that although affected, they are open for business.

Our Manager attended the recent Cairns Regional Council meeting held in Babinda during which time various items relating to our area were discussed. The upgrade to Rotary Park is progressing satisfactorily with a camp kitchen being installed and designated camping areas defined. An additional three new camp sites have been created at the Boulders to aid with Rotary Park being closed. Council have informed us that, after the reopening, Rangers will be regularly checking the campsites. We are grateful to Council for their ongoing support to the Centre and the District.

For those who may be interested, in 2014 we had 9,241 visitors, 25,132 web site visitors, and the Mill Memorabilia was downloaded 1,541 times.

There are so many interesting places to visit in our region. The Wet Tropics Management Authority has a good web site to visit for ideas

Resident evacuation & recovery register:

for residents of the Cairns Region who are elderly, infirmed and/or disabled and have no transport or friends or family in the area.

If an evacuation is required, those listed on the register will be assisted by emergency service personnel to evacuate their residence. In this event, evacuees will be taken to a safe designated area. Unfortunately emergency services will not have the resources to assist with moving large quantities of personal belongings or pets (except seeing-eye dogs).

This register is updated annually. By placing your name on the register, you are authorising Council to give your details to any agencies that may be involved in an evacuation.

If you answer yes to all of the following questions, you may qualify for the register:

Are you elderly, infirmed and/or disabled?

Do you have no transport?

Do you have no friends or family in the area?

If you believe that your personal circumstances qualify you to be placed on the register, please contact:

Babinda Community Bank® Branch Bendigo Bank

"Enhancing the community"

My name is Raelene Carne.

I'm excited to have joined the team at Babinda **Community Bank** ® Branch as their new Customer Service Officer. It is great to meet the friendly people of Babinda.

I was born in Cairns and grew up on my Granddad's cane farm at Mt Peter with my parents and older sister and younger brother.

I was also lucky to have my Nanna and Granddad Carne living right next door and I could visit them whenever I liked.

I have great memories of my childhood. If we weren't trekking through dried up creek beds, we were riding our bikes, running around the paddocks or riding on tractors and trailers.

My favourite thing was watching the cane fires and burn offs.

These days I spend my free time with my partner, family and friends. We enjoy picnicking and swimming at our local creeks and rivers.

Bendigo is Business Bank of the Year

For the fourth year running, Bendigo Bank has been named Business Bank of the Year at the Roy Morgan Research's Customer Satisfaction Awards. Drop in to our Branch to speak to our manager, Greg about all your business banking needs.

ST RITA'S SCHOOL BABINDA

Samsung have provided Catholic Education with the opportunity to trial the latest Google *Chromebooks*. The *Chromebook* is an ultraportable, sleek laptop which can be used anywhere and everywhere. Chrome devices are instantly personalisable by each student or teacher, and it makes them an ideal solution for bringing the power of the web into the classroom.

St Rita's Babinda is fortunate to have been loaned seventeen *Chromebooks* to use in our senior classroom, and the students have been eager to learn how to use these devices most effectively in their daily lessons. Students speak enthusiastically about their usage:

Roisin Stager: "We can find photos on the web and put them on our own drive to make a google presentation. And when I go off the google drive, my work is still saved".

Billie Luce: "I like that the *Chromebooks* are smaller than the laptops and are easy to transport to different areas. When you open the *Chromebook*, it automatically turns on and you can start work straight away".

Harper Wiles: "We use *Chromebooks* in our class. They are helpful because they give us fast access to information that we need to study our desert animals. Our teacher can share information and documents with us using the *Chromebooks*".

Our students agree that learning with *Chromebooks* is the way forward at St Rita's School!

AROMATHERAPY AND YOUR DOG

A dog's sense of smell is far more acute than humans due to the fact that their nasal cavity is much larger. Their sense of smell is 50-100 times stronger. Just like a child they need smaller dosages. Essential oils are chosen on a psychological level by selecting a few various aromas that work for a problem you want to heal. The final choice is made by the dog's reaction. Whether he turns away, keeps returning to the same aroma or in some cases attempts to lick spilt drops from your hand. The most common problems for example are fear of thunder, grief, being left alone, effects of abuse or abandonment. When choosing an essential oil for a complaint, arthritis for example, the dog's nature is always taken into account. Really the only difference with treating a dog compared to a human is the lack of the spoken language. When working with essential oils you find you work intuitively so it's really not difficult finding the right blend. Enjoy the rest of the Month, smile often.

For essential oils, appointments or for upcoming workshops.

Lines From The Library

Homework has always had its' pitfalls for students and it has become increasingly difficult for parents to be able to assist their children, however help is at hand. "Your Tutor", an online tutoring service available online through Cairns Libraries, is here to help with homework problems no matter what the subject. School students from grades 3 to 12 can log in and get access to a network of expert tutors and teachers from 3pm to 10pm from Sunday to Friday. All you need is a computer, access to the internet and a Cairns Library membership card. For further details please contact library staff at Babinda library or to have a look at how "Your Tutor" works, go to www.cairnslibrary.com.au click on Online, then eLearning, then Children's eLearning and then the "Your Tutor" icon. Then, to see how "Your Tutor" works you can either "Take A Tour" or "Watch Our Video".

Here's your chance to have your say. It's your library and Cairns Libraries want you to tell us what we are doing well and how we can improve our service to you. Please help us by taking a few minutes to fill out our online survey at www.cairnslibrary.com.au or see a staff member at Babinda library for a paper copy. By completing a survey you will go in the draw to win a double movie pass. Thank you in advance for your participation and good luck in the draw.

Here's something to look forward to. School holiday activities will be happening at the Babinda library on the 15th of April.

Please watch for details closer to the date.

See you in the library sometime soon.

Cheers,

Holly
